Hosted by: Adolescent Health Academy, Lucknow Branch & Lucknow Academy of Pediatrics

*e-Adolescon 2021 Lucknow*

# Welcome

**Dear friends,**

*Warm greetings from Lucknow !*

We the organizing team are pleased to inform you that the Lucknow Branch of Adolescent Health Academy and Lucknow Academy of Pediatrics are hosting the virtual 21<sup>st</sup> National Conference of Adolescent Health Academy, IAP from **12<sup>th</sup> to 14<sup>th</sup> November 2021 at digital platform.**

The paediatrician's responsibility has now expanded over the period of adolescence. As we focus to nurture children into healthy adults, the period of transition i.e. adolescence holds the key and needs our utmost attention. The issues of adolescence are unique and need specialized perspective to deal with.

The academic program will be aimed to deal with the common clinical and practical adolescent health issues in office practice. This will enable the pediatrician to deal with the adolescent clients better. As we are privileged to have an array of renowned faculty for the mega event we are sure it will be an academic treat.

We eagerly look forward to your gracious presence and hope to give you an experience which you will cherish forever!

Warm regards,

**Organizing Team**
