ADOLESCON 2025

Welcome Message

Dear Esteemed Colleagues,

“Happiness is a journey, not a destination.”

Greetings from Team **ADOLESCON 2025!**

With immense pride, we invite you to Ahmedabad, a city steeped in heritage and progress, to be part of the **Silver Jubilee Celebration** of the **Adolescent Health Academy (AHA)** at **ADOLESCON 2025**, scheduled for September **19th–21st, 2025**. This Iconic event is jointly organized by Gujarat AHA, AOPG Ahmedabad and AOPG Gujarat. The vibrant organizing team is thrilled to welcome you all to experience enriching scientific extravaganza as well as warm hospitality.

Adolescents are a **Powerhouse of Human Potential**. Investing in their health and well-being yields lifelong benefits, shaping a healthier and more prosperous nation. The theme of this year's conference, "**Mpower YUVA – Accelerated Action for the Health of Adolescents (AAHA!!)**", underscores the critical role of pediatricians in adolescent care. Our sessions are designed **by pediatricians, for pediatricians**, offering practical tools to integrate adolescent care seamlessly into routine practice.

With **225+ early registrations**, the enthusiasm is already palpable! We urge you to **register now** and be part of this **landmark celebration**.

Join us in shaping the future of adolescent health!
